

Reveal the "Essential You" through Astrology

with Andrew Morton

Andrew Morton
Workshop Facilitator

Andrew is an Astrologer from London, England.

He practices astrology as a means of enriching the lives of those who are on the path to discovering their souls' desires.

His perspective is multi-disciplinary, encompassing symbolism, sacred geometry, mythology, astronomy and cutting-edge science, all of which serve to bring clients into greater resonance with their essential selves.

Andrew presents lectures, classes & workshops throughout the UK, Europe, the USA and Canada. It is the use of astrology as a sacred tool for self-knowledge and continuing personal growth that Andrew most values and passes on to his audiences.
